A family of five has been left homeless after a house fire Wednesday afternoon in Sioux City.

Firefighters were called to the home in the 1300 block of West 6th street around 5pm after a family member said they saw smoke in an upstairs bathroom.

Three people in the home got out safely, while two other family members weren't home. Smoke was coming out of the top of the house when firemen arrived.

The cause of the fire remains under investigation.
